

Drop-off and Pick-Up:

Our number one concern is the safety of your children. Please respect these rules.

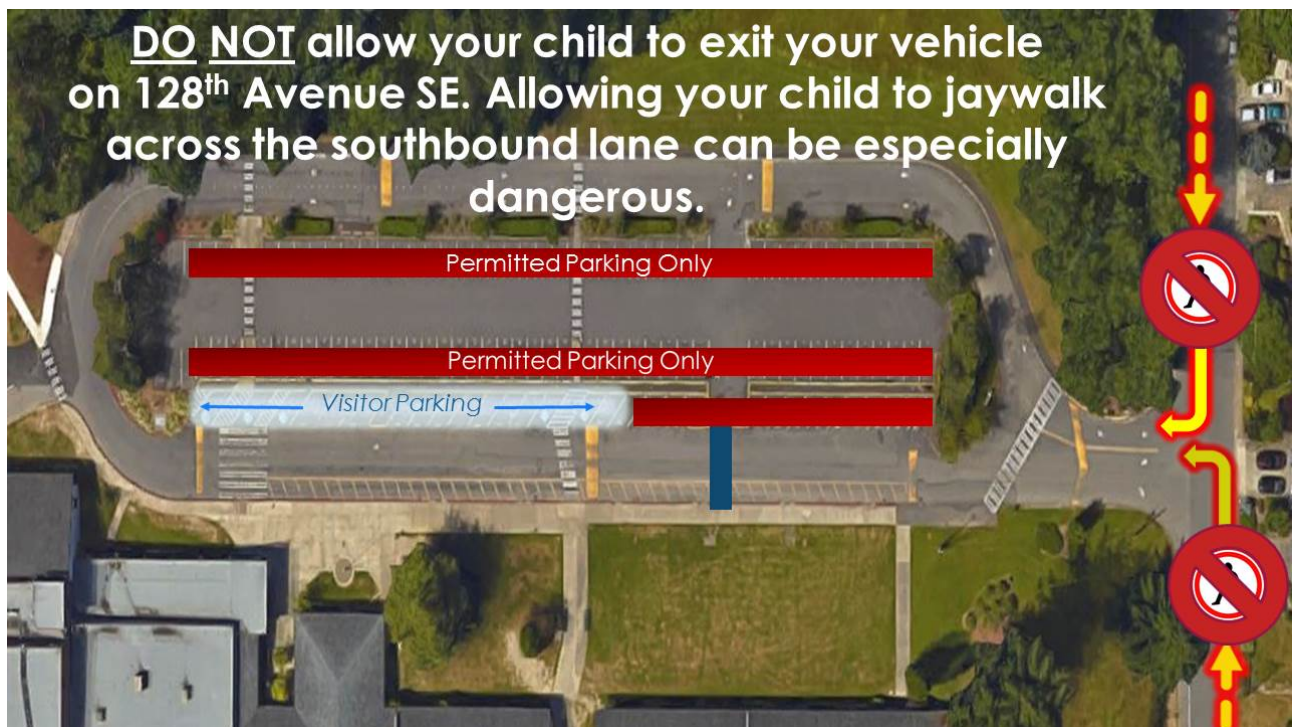

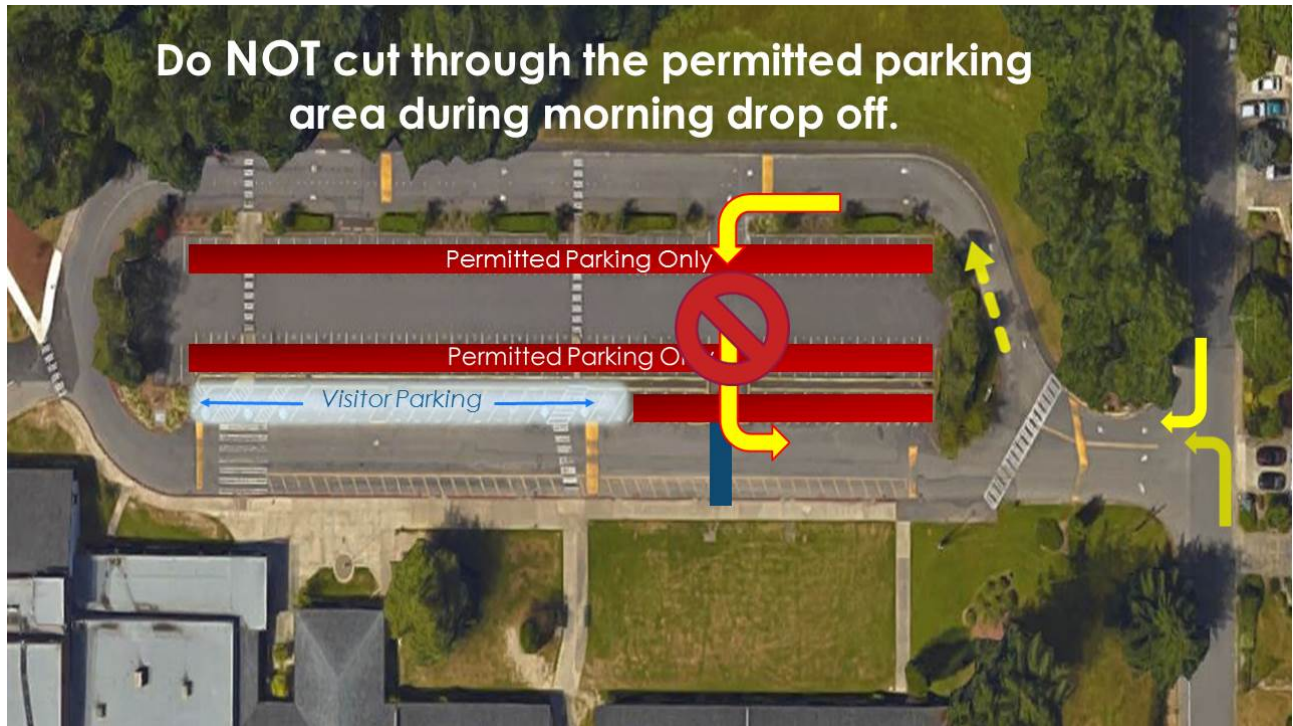

Please stay out of the bus lane at all times. We need to keep Metro & Safe Lane clear from car traffic at all times per our agreement with Metro Transit which allows us to maintain service to International School.

Be courteous and allow vehicles, alternating from the north and south, to enter from 128th Avenue SE.

Leaving just 10 minutes earlier in the morning can have a significant impact on how long you wait in line to drop-off. Students can also help with traffic flow by ensuring they have all of the items they need for school ready to go upon approaching the drop-off zone.

Taking the Bus to School

International School uses Metro Transit services for student transportation to and from school. The initial issuing of **new** cards will be at our Back to Business Day in August. During the school year, an ORCA Card administrator visits each school once a week to issue cards. Students will be issued their first ORCA Card each year at no cost.

Parking

Parking is very limited at the International School. Please only park in the visitor spots located directly in front of the school. All other spots are assigned to staff and students. Please do not park in any assigned spots before and during school hours, even if you plan on just being a minute in the school. If there are not spots you will need to find a legal plan on just being a minute in the school. The streets closest to the school are permit parking only.
