Thank You for Your Support

- I will share information as it is available regarding timelines and building information
- I will be soliciting community input as we work with architects

Middle School Games and Movie Night: Building Sense of Belonging

Great attendance
with HS support

Lots of activities:
Gym, Library
Games, Movie and
Popcorn

Positive social
interactions

Focus Week Funds

Accepting donations now through the end of the month

Only 26 donations so far!

Unable to continue to offer Focus Week if we do not have community support as this is an opportunity that is above and beyond our basic educational offerings.

Coronavirus CDC

Travelers from **other parts of China** (outside Hubei Province) in the last 14 days:

- **If you have fever, cough, or trouble breathing:** CDC staff at the airport will evaluate you for illness. **You will be taken to a medical facility** for further evaluation and care. You may not be able to complete your travel itinerary.
- **If you do not have symptoms:** You will be allowed to reach your final destination. After arrival, you will be asked to monitor your health for 14 days. You will receive a [health information card](#) that tells you what symptoms to look for and what to do if you develop symptoms. During that time, you should stay home and limit interactions with others as much as possible. Your state or local health department will contact you for further follow up.

Coronavirus CDC

Travelers who have been in **Hubei Province** in the past 14 days:

- **If you have fever, cough, or trouble breathing:** CDC staff at the airport will evaluate you for illness. **You will be taken to a medical facility** for further evaluation and care. You will not be able to complete your travel itinerary.
- **If you do not have symptoms (fever, cough, trouble breathing):** You will be **placed under a federal, state or local quarantine** order for a 14-day period from the time you left China. You may not be able to complete your travel itinerary until the 14-day period has elapsed.

CDC Recommendations for keeping healthy

- Wash hands with soap and water for 20 seconds; use alcohol-based sanitizer if no water is available
- Avoid touching eyes, nose, and mouth with unwashed hands
- Avoid close contact (within 6 feet) with those who are sick
- Stay home if sick
- Cover cough or sneeze with tissue, throw tissue in trash, wash hands
- Clean and disinfect frequently touched object and surfaces
- Contact our nurse Sarah Kim with any questions
