ISPTSA Recognizes Students, Educators and Volunteers

It's time to recognize the dedicated students, educators and volunteers that make our school such a thriving community! At the June 8th PTSA business meeting, we would like to acknowledge three such people and we need YOUR help. Please email Kerste Helms at secretary@isptsa.org if you know of someone who you believe should receive any of the following awards. Please include a brief statement about why you are nominating this individual.

Outstanding Educator: The Outstanding Educator award is presented to an individual who has provided outstanding educational opportunities for children and youth that are beyond the normal scope of their jobs. An educator may be defined as a teacher, assistant, specialist, support staff or administrator.

Outstanding Student Advocate: This award is presented to recognize students who have made significant contributions through leadership and service in their schools and communities.

Golden Acorn: The Golden Acorn is presented, by a local PTA or council, to a volunteer in recognition of his/her dedication and service to children and youth. This award is presented to those who go above and beyond the normal volunteer level. It does not have to recognize only PTA volunteering. You can, and should, consider volunteers from churches, sports, school staff or other organizations.

Thank you so much for your help with this important recognition!
