- Funding programs for enhancing online learning
- Changes to note:
 - World Language Intern and 6th grade/HS retreat cost reallocated
 - \$4k budgeted for GoFormative to assist in online learning

THE BELLEVUE SCHOOLS FOUNDATION WILL RAISE \$1.9M FOR OUR SCHOOLS THIS YEAR

Carmen Brenner

BSF exists because public funding does not provide sufficient resources for the schooling our children deserve.

This year, at the secondary level, BSF funding will support:

- Emergency services for children and youth impacted by COVID
- Counselors to help students at the secondary level deal with stress, depression and anxiety through remote counseling
- Arts and Music funding
- Racial equity training and National Board Certification for teachers
- And much more!
